

Sprint 1

Day: 16 December WEEKEND

	Hélder Branco	Lucas Fernandes	André Ribeiro	André Ferreira
Done	<div></div>	<div></div>	<div></div>	<div></div>
Will do	<div></div>	<div></div>	<div></div>	<div></div>
Problems that apear in this day	<div></div>	<div></div>	<div></div>	<div></div>

Day: 17 December WEEKEND

	Hélder Branco	Lucas Fernandes	André Ribeiro	André Ferreira
Done	<div></div>	<div></div>	<div></div>	<div></div>
Will do	<div></div>	<div></div>	<div></div>	<div></div>
Problems that apear in this day	<div></div>	<div></div>	<div></div>	<div></div>

Day: 18 December

	Hélder Branco	Lucas Fernandes	André Ribeiro	André Ferreira
Done	Create Firsts User Story´s and Tasks	Continue System Architecture(Class Diagram)	<div></div>	<div></div>
Will do	Continue User Story´s ,Tasks and Issues	Continue System Architecture(Class Diagram) and Start planning Test's	Start planning Test's	Start planning Test's
Problems that apear in this day	Some doubts about the structure	Some doubts about the structure	<div></div>	<div></div>

Day: 19 December

	Hélder Branco	Lucas Fernandes	André Ribeiro	André Ferreira
Done	<div><div>User Story´s ,Tasks and Issues detailing</div><div>Prioritize and estimate issues</div></div>	Prioritize and estimate Issues	Prioritize and estimate issues	Changed some aspects about the system architecture Estimate and Prioritize Issues
Will do	<div><div>#17 (closed) Create Class Product System</div><div>Planning tests</div></div>	<div><div>#14 Create class Process</div><div>Planning Tests</div></div>		
Problems that apear in this day	Some doubts about the structure	<div></div>		

Day: 20 December

	Hélder Branco	Lucas Fernandes	André Ribeiro	André Ferreira
Done	<div><div>Planning tests</div><div>Start Project (create project, basic gradle config)</div></div>	<div><div>Planning Tests</div><div>Start Class Process</div></div>	Planning tests	Planning tests

08/02/24, 15:24

Sprint 1

Will do	#17 (closed) , Create Class Product #33 (closed) , Create Interface Data Acess	#14 Create Class Process Planning tests	#15 Create Class Flow #08 Create interface circularity Calculator #13 Create interface process	#19 (closed) , Create Class Circularity Calculator
Problems that apear in this day	Doubts about gradle config, jacoco and PMD			

Day: 21 December

	Hélder Branco	Lucas Fernandes	André Ribeiro	André Ferreira
Done	#33 (closed) , Create Interface DataAccess Resolve Git Problems #17 (closed) , WIP	Planning Tests #Create Class Process	Planning tests #15 Create Class Flow #08 Create interface circularity calculator #13 Create Interface process	Planning tests
Will do	#17 (closed) ,	#Create Class Process	Test Get Flow	#19 (closed) , Create Class Circularity Calculator
Problems that apear in this day				

Day: 22 December

	Hélder Branco	Lucas Fernandes	André Ribeiro	André Ferreira
Done	#17 (closed) , Create Class Product and test	#14 Create Class Process	Update Class Diagram	
Will do				#19 (closed) , Create Class Circularity Calculator
Problems that apear in this day
